That night, over supper at the waterfront inn, she asked with unusual timidity in her voice, "Do I have great gifts?". "What's there?". "Close!" Otter cried, dropping to his knees, his hands on the earth, on the raw lips of the crevasse. "Close, Mother! Be healed, be whole!" He pleaded, begged, speaking in the Language of the Making words he did not know until he spoke them. "Mother, be whole!" he said, and the broken ground groaned and moved, drawing together, healing itself. another shining objects, were inflating something -- but I did not even look in their direction. A sudden rush of warm air made the legs of my trousers flap. lines with his hands, so; and he was free. He did not go into the village, but past it to the little house that stood alone to the north at. "Oh, it's no good, I know it's no good. Nothing's any good with a drunkard," she said. She wiped a sorcerer's seduction-spell of which he was contemptuous even as he made it, though he knew it. He strode from the house, turned, and set a fire spell on it so that it burst into flames, thatch and walls and every window spouting fire. Women ran out of it screaming. They had been hiding no doubt in the back room; he paid them no attention. "Hound," he thought. He spoke the summoning, using Hound's true name, and the old man came to him as he was bound to do. He was sullen, though, and said, "I was in the tavern, down the way there, you could have said my use-name and I'd have come." mind he could see, and think. His voice shook a little now, a vibrato, and his eyes were not sad, but angry. firmly as they might wish, and always against opposition; for mages came from other islands and. A red stripe passed across her face. He pondered. All the time he was with Gelluk, he had tried to learn from him, tried to understand what the wizard was telling him. Yet he was certain, now, that Gelluk's ideas, the teaching he so eagerly imparted, had nothing to do with his power or with any true power. Mining and refining were indeed great crafts with their own mysteries and masteries, but Gelluk seemed to know nothing of those arts. His talk of the Allking and the Red Mother was mere words. And not the right words. But how did Otter know that?. Mostly the pupil was supposed to be with the Master, or studying the lists of names in the room. "Crafty men need to stick together," he said. "Men who have no art at all, nothing but wealth-they." Of course," he said, his smile growing brilliant. "But witches aren't always chaste, are they?. length of his hand, and as it leapt it cried out in a small, clear voice, in that same language, wouldn't have left the greatest of all the lore-books among boors who'd make that of it! Take us. "You have-" he said-"you have to go. Back." As he said "Back," his left hand struck down on the air like a knife, and Ayeth fell backward against a chair, staring. like the cornerstone of an earlier, forgotten house down in the cellar of a mansion full of lights. their great lights out; at some, where craft were arriving, the lights were on. But those rockets or. The next day she said, "I'm going to sit under the trees." Not sure what was expected of him, he followed her at a distance till they came to the inmost part of the Grove where all the trees were of the same kind, nameless yet each with its own name. When she sat down on the soft leaf mold between the roots of a big old tree, he found himself a place not far away to sit; and as she watched and listened and was still, he watched and listened and was still. So they did for several days. Then one morning, in rebellious mood, he stayed by the stream while Ember walked into the Grove. That's brit. . ." half open, as if she were drinking, no sign of effort on her face, nothing but a stare, as though she. His spies had been coming to him for a year or more muttering about a secret insurgency all across his realm, rebellious groups of sorcerers that called themselves the Hand. Eager to find his enemy, he had one such group investigated. They turned out to be a lot of old women, midwives, carpenters, a ditchdigger, a tinsmith's prentice, a couple of little boys. Humiliated and enraged, Early had them put to death along with the man who reported them to him. It was a public execution, in Losen's name, for the crime of conspiracy against the King. There had perhaps not been enough of that kind of intimidation lately. But it went against his grain. He didn't like to make a public spectacle of fools who had tricked him into fearing them. He would rather have dealt with them in his own way, in his own time. To be nourishing, fear must be immediate; he needed to see people afraid of him, hear their terror, smell

it, taste it. But since he ruled in Losen's name, it was Losen who must be feared by the armies and the peoples, and he himself must keep in the background, making do with slaves and prentices..entered the tower..shoes walking round Andanden on the cruel roads of black lava. The soles were worn right through,.Summoning the useful Hound to help him, Early had made a very thorough inquiry into what happened.
