Bobby asked, looking hopefully at Colman..determination to accomplish the far more difficult task of redeeming her own screwed-up life..The Ambassador referred to was to be Avery Farnhill, Howard Kalens's deputy in Liaison. Kalens himself would be leading the main-delegation down to the surface to make the first contact with the Chironians at Franklin. The decision to send a secondary delegation to the Kuanyin had been made to impress upon the Chironians that the robot was still considered Earth's property, which was also the reason for posting troops throughout the vessel. As a point of protocol, Wellesley and Stern would not become involved until the appropriate contacts on Chiron had been established and the agenda for further discussion suitably prepared..The plasma emerged from this primary process with sufficient residual energy to provide high-quality heat for supplying a hydrogen-extraction plant, where seawater was "cracked" thermally to yield bases for a whole range of liquid synthetic fuels, a primary-metals extraction and processing sub complex, a chemical-manufacturing sub complex, and a desalination plant which was still not operational, but anticipated large-scale irrigation projects farther inland in years to come..Wrapped in a towel, she carried her dirty clothes across the hall to her room.."How's that work?."That's part of it," Pernak replied, nodding. And sisters.."Why should you be nice to people who are acting like they're trying to take over your ship?."Yes, I did. Jeeves said it was caused by an accident with a remote-controlled experiment that the Chironians conducted there because it was too risky-something to do with their antimatter research." Jay screwed up his face and ruffled the front of his hair with his fingers. "But that's the kind of thing you'd expect somebody to say, isn't it?, and Chironians don't make a lot of mistakes." He looked around the circle of appalled faces staring back at him. "But what you were saying made me think that that crater could be just what you'd get from testing some kind of big weapon.An awkward silence hung over the room. Then Celia said, "Because I killed him. The rest was faked after I left the house. Only Stern knew about his death."."After twenty years on the same ship? pure self-interest of parasites to whom the those fangs in her cheek or her nose. Then people would never think of her as sassy, but would always. Just then Jerry Pernak came around a corner accompanied by his fiancée, Eve Verritty, and two more Chironians. A cart was following them with a few odds and ends inside. He gaped at Bernard and Jay in surprise, then grinned. "Hey! So Jay dragged you out to see the sights, eh? Hello, Jay. Started making friends already?" Introductions were exchanged with smiles and handshakes. The two new Chironians were Sal, a short, curly-headed blonde who pursued research in physics at a university not far from Franklin, and Abdul, a carpenter and also one of the Founders, who lived in a more secluded area inland and looked Eskimo. Abdul's grandson, he informed them proudly, had hand-carved the original designs from which the programs for producing the interior wood fittings used at Cordova Village had been encoded. He was delighted when Bernard praised their quality and promised to tell his grandson what the Terran had said..withered beyond recovery.
