Bernard Fallows leaned alongside the sliding glass door in the living room and stared out at the lawn behind the apartment while he wondered to himself when he would be free to begin his new career at Port Norday. He had broached the subject to Kath, as he now knew she had guessed he would, and she had told him simply that the people there who had met him were looking forward to working with him. But he had agreed with Pernak and Lechat that a nucleus of people capable of taking rational control of events would have to remain available until the last possibility of extreme threats to the Chironians went away, and that Ramisson's Integrationist platform, to which Lechat had now allied himself, needed support to allow the old order to extinguish itself via its own processes.. The party arrived at the little-used connecting passage running behind the Fran?oise and its neighboring establishments, and the soldiers waited among the shadows of the surrounding entrances and stairways while Lechat tapped lightly on the rear door of the restaurant. After a few seconds the door opened and Lechat disappeared inside. Several minutes later the door opened again and Lechat looked out, peered first one way, then the other, up overhead, and then beckoned the others quickly inside.. "How do you know it's right?". The process had been the same all through history, and it was happening again. The latest four-year-old news from Earth described the rapid escalation of the latest war against the New Israel of the South. Only this time the EAF was getting involved. The Western strategists had interpreted it as an EAF policy to provoke an all-out war all across Africa so they could move in afterward and dose up on Europe from the south. Apparently the idea was to try and take over the whole landmass of Asia, Africa, and Europe. Why did they want to take over the whole of Asia, Africa, and Europe? Colman didn't know. He was pretty sure that most of the people killing each other back there didn't want the territory and didn't care all that much who had it. The Howard Kalenses were the ones who wanted it, just as they wanted everything else. Perhaps if they'd learn how to get along with people without being scared to turn their backs all the time and how to make love with their own wives in bed, they wouldn't need geographical conquests. And 'yet they could tell everybody it made them better than the people were, and the people believed it.. "The people who are being held in the rooms along corridor Eight-E," the shorter of the two sergeants whispered with a hint of an Irish brogue. "You take their food in?" The steward gulped and nodded vigorously. "When is the evening meal due?". "Isn't she a lot of fun," Kath agreed. "She's talking Casey into teaching her to be an architect. She could do it too. "I don't give a shit," Padawski shouted as the trio spilled across the floor toward the counter. "I don't give a goddamn shit, I tell ya. If that asshole wants to--" His voice broke off suddenly. "Say, who've we got over here? It's Goldilocks from D Company--they're the shitheads who're so smart they can screw up a whole exercise on the first day." Colman felt the floor vibrate as heavy footfalls approached the booth. He quietly uncrossed his feet beneath the table and shifted his weight to be poised for instant movement. His fingers curled more snugly around the half-full cup of hot coffee. He looked up to find Padawski leering down from about three feet away.. "Perhaps not quite, but that was twenty years ago, remember. Times change, I guess..". The others exchanged puzzled looks. Jean shook her head and looked back at Celia. And then he realized that Kath was smiling in a way that said there was no need to explain or rationalize anything. Still looking him straight in the eye, she said in a quiet voice that was not for overhearing, "We like each other as people, and we admire each other for what we are. There isn't anything to feel hung up about on Chiron. People who feel like that usually make love, if that's what they want to do." She paused for a second. "Isn't that what you'd like to do?". Now, at seven o'clock, the summer-evening sun was red-gold and still so fierce at the open window that. the salty tears that offended her more than oozing serpent guts..
