take the burden from him. In the meantime he had to get them started on something. He touched McKillian gently on the shoulder and motioned her to the lock.. "Then marry me," said Amos, "for I always thought you had uncommonly good sense in matters of whom to believe and whom not to. Your last words have proved you worthy of my opinion." The com circuit buzzes peremptorily and Jain's voice says, "Robbie? Can you meet me outside?". From: P. T. Warrington. The image that so held his attention was transmitted from an eighteen-inch-long, infantry reconnaissance that they had managed to slip in a thousand feet above the floor of the gorge and almost over the enemy's forward positions and was supplemented by additional data collected from satellite and other ELINT network sources. The display showed the target command bunker at the bottom of the gorge, known enemy weapons emplacements as computed from backplots of radar-tracked shell trajectories, and the locations of observation and fire command posts from source analysis triangulations of stray reflections from control lasers. On it the cool water of the stream and its tributaries stood out as black lines forking like twigs; the rock crags and boulders were shades of blue; living vegetation varied from rust brown on the hills to deep red where it crowded together along the lower slopes of the gorge; and shell and bomb scars glowed from dull orange to yellow depending on how recently the explosions had occurred..me from a hundred directions.
