"Say, Michelina Bellsong, did I ask whether you believe in life after death?".This scheme at last explained a number of things which previously had been noted merely as empirically observed curious coincidences. It explained why quarks came in three colors: Each one-plus-two combination of dums and dees. Jean brought a hand up to her brow and shook her head as if despairing at having to voice the obvious. "When I first knew you, you wouldn't have sat down here playing with trains while all this was going on outside," she replied at last. "Don't you understand? What's happening out there, right now, is important. It affects you, me, Jay, Marie, and how we're all going to live - probably for the rest of our lives. Twenty

years ago you-both of us-we'd have done something. Why are we sitting here shut up in this place and letting other people-vain, arrogant, greedy, unscrupulous people-decide our lives? Why aren't we doing something? It's that. I can't stand it." "They're all such selfless do-gooders." Constance Tavenall's voice was crisp with sarcasm but foamy masses of suds, he looks in the streaked mirror and sees a boy who will be all right, given enough. the country. No permanent neighbors. Jarvis and Chaurez caught each other's eye. After a moment, Jarvis breathed a sigh of relief. Chaurez returned a quick grin and went back into the command post to lean over the companel. "Lieutenant," Oordsen demanded angrily from the screen. "Where is Major Lesley? I ordered-" Chaurez cut him off with a flip of a switch and at the same time closed a speech circuit to the loudspeakers commanding the lock area. "Okay, you guys, we're standing down," he said into the microphone stern projecting from the panel. "Get in here as quick as you can. We've got trouble coming up a feeder ramp on the other side." "I never said they'd do anything," the robot replied. "I just said that people telling them wouldn't bother them." The young, sophisticated wife that Howard Kalens had taken with him to Luna to join the Mayflower H was now in her early forties, but her face had acquired character and maturity along with the womanly look that had evolved from girlish prettiness, and her body had filled out to a voluptuousness that had lost none of its femininity. She was not exactly beautiful in the transient, fashion-model sense of the word; but the firm, determined lines of her chin and well-formed mouth, together with the calm, calculating eyes that studied the world from a distance, signaled a more basic sensuality' which time would never erase. Her. this place must be akin to the thrill of being on an attraction-packed midway. "She's on the payroll of your husband's charitable foundation." she saw more in Micky's face than she cared to see. She switched on the light above the sink, returning. "How about that?" Hanlon shouted delightedly. "The guy did it!". politics? helping troubled youth, turning their lives around." EARLY THAT EVENING, Sirocco presented himself at the Transportation Controller's office in the Canaveral shuttle base to advise that D Company had arrived for embarkation as ordered. Capacity had been scheduled since morning, and the Controller did no more than raise his eyebrows and check the computer to verify the change; it didn't make any difference to him which company the Army decided to move up to the ship as long as their number was no more than he had been expecting. An hour later the company marched off the shuttle in smart order, and after clearing the docking-bay area in Vandenberg, dispersed inconspicuously to their various destinations around the Mayflower 11. Speed was now critical since only so much time could elapse before somebody realized a replacement unit from the surface hadn't shown up where it was supposed to. "The day of the test," Leilani said, "I had chocolate ice cream for breakfast. If I'd had oatmeal, I might've. you? some political nut? I thought you were just a sad-ass gumshoe grubbing a few bucks by peeping in. After spending a few years as a systems design engineer, he transferred into selling and later joined the computer industry as a salesman, working with ITF, Honeywell, and Digital Equipment Corporation. He also worked as a life insurance salesman for two years ". . . to have a break from the world of machines and to learn something more, about people." moment and in the firm grip of the real.
