"Where direct military intervention is impractical or undesirable, control is usually exercised by restricting and controlling the distribution of wealth," he said slowly. "Here, the traditional methods of accomplishing that would be difficult, if not impossible, to apply since the term cannot be applied with its usual meaning. This society must have its pressure points, nevertheless. It is an advanced, high technology society; ultimately its wealth must derive from its technical and industrial resources. That is where we should look for its vulnerable spots.. "You can't control me with a name!".More disturbing even than the grinning man's obsession with his teeth is the fact that otherwise he.But SD's were already pouring out of the guardroom behind the main doors of the Government Center and racing along the corridor toward the communications facility while civilians flattened themselves against the walls to get out of the way, and others who had been working late peered from their offices to see what was happening. The engineer iii coveralls who had been working inconspicuously at an opened switchbox through an access panel in the floor closed a circuit, and a reinforced fire-door halfway along the corridor - closed itself in the path of the oncoming SD's. The SD major leading the detachment stared numbly at it for a few seconds while his men came to a confused halt around him. "Back to the front stairs," he shouted. "Go up to Level Three, and come down on the other side..Bernard looked at Lechat. Lechat frowned and seemed about to object. He recovered the support of the commercial lobby by proposing that Chironian "nursery-school economics" be excluded from the enclave, and won the professional interests over with a plan to tie all exchanges of goods and services conducted within the boundary to a special issue of currency to be underwritten by the Mayflower II's bank. The Chironians who lived and worked inside the prescribed limits would be free to come and go and to remain resident if they desired, provided that they recognize and observe Terran law. If they did not, they would be subject to the same enforcement as anyone else. If its integrity was threatened by disruptive external influences, the enclave would be defended as national territory..Sinsemilla, before we were ten..".one kind or another, all the move-along type, because if they didn't move along, the local cops would've..Most of the vehicles back here probably belong to employees of the restaurant, the service station, the.resisted him..".Pernak tossed up his hands. "I've been to take a look at their university and what they do there. You wouldn't believe it. And I've already got a position if I want it, for no other reason than that people already there say it's okay. You get a house, for nothing . . . a good one. Or they'd build you one however you want it. How can you say no? We're going to become Chironians. And so will everybody else when they've gotten over the voyage.
