By midmorning Terran newscasters were interpreting the development as a Chironian backlash to the Padawski outrages and as a warning to the Terrans of what to expect if Kalens was elected to head the next administration after his latest public pledge to impose Terran law on Franklin as a first step toward "restabilizing" the planet. Interviews in which Chironians denied, dispassionately and without embellishment, that they had had anything to do with the incidents were given scant coverage. Reactions among the Terrans were mixed. Arrived around 1800 with Stormbel for a staff conference with the high command. They're all in there ..-." He frowned at the expression on Colman's face. "Nobody knew?". Farnhill's staff had given up trying to get the Chironians to provide an official list of who would be greeting the delegation. In the end they had simply advised the Kuanyin when the shuttle would arrive and resigned themselves to playing things by ear after that. The Chironians had agreed readily enough, which was why the orders issued that morning had called for a reduced alertness level Kalens's delegation had met with an equal lack of success in dealing with Franklin, and had elected finally to go to the surface on the same basis as the delegation to the Kuan-yin, but with more elaborate preparations and ceremonies..
