DENVER. The wind flays us for a moment; Jain's hair whips and she shakes it back from her eyes. I pull her into. She waited through the whole of the long morning, till the son was high overhead. Not until then did she go indoors, where she threw herself down on the straw bedding and wept. The minute she saw me, Debbie's face fell. I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy?the promise of escape into a wonderful Other world?is one I find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted The Hobbit for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scon Wilson (who electrified a Modem Language Association seminar by calling Dune a fascist book), and Michael Moorcock (see his jacket copy for Norman Spin-rad's The Iron Dream, a novel which vehemently denounces the genre in the same terms Wilson doesf), and the writers of Bored of the Rings, the Lampoon parody, from which came "Arrowroot, son of Arrowshirt"..I tried to sit up but my head weighed a thousand kilos. I managed to turn over on my side and, as though down a silver tunnel, watched Amanda jerk open a drawer. She reached in. I gritted my teeth against the nausea the effort of moving brought and lurched onto my hands and knees.
